NPYB families receiving assistance must participate in volunteering their time to the organization for a number of hours set by the board, if this is not done the family will not be eligible for the assistance again. In order to guarantee placement on a team at least 50% of the registration cost must be paid at time of registration if you are asking for full assistance there is no guarantee of placement. I have read and understand the assistance program details and obligations and am willing to abide by them.

Applicants Signature _____ Date: _____

*In order to guarantee placement on a team at least 50% of the registration cost must be paid at time of registration if you are asking for full assistance there is no guarantee of placement.
